HOW TO APPLY

☐ Apply for admission using the online application form* at grad.umn.edu/admissions
☐ Pay the application fee: $95 for international applicants
☐ Upload transcripts (including English translations) of all coursework taken from all universities attended
☐ Send English language proficiency test score**

Most programs also require:
☐ Letters of recommendation
☐ A personal academic statement
☐ Additional test scores, such as the GRE**

Deadlines—Application deadlines vary by program, so you should check with your program to confirm deadlines. The most popular deadlines are in December and January. It is best to apply as early as possible.

*Professional Degree Programs—If applying to a program that is considered a “professional degree,” you should consult your program for any special application requirements: twin-cities.umn.edu/academics-admissions

**Test Scores—Most degree programs require a minimum iBT TOEFL score of 79 with 21 on Writing and 19 on Reading, an IELTS score of 6.5 with 6.5 on Reading and Writing, 80 on the MELAB, 59 on the PTE Academic, or 180 on the CAE C1 Advanced. Some programs have higher requirements. Please check for your individual program’s requirements on their website.

Program Rankings

Many of the University of Minnesota’s programs are ranked among the best in the world, as measured by the National Research Council, the Center for Measuring University Performance, and U.S. News & World Report. The Shanghai Academic Ranking of World Universities, in fact, ranks the UMN as one of the top 50 universities in the world!

Tuition and Fees

Tuition and fees for graduate and professional degree students vary based on the academic program. Below are the tuition costs for the most common programs. Tuition costs do not include required fees, which can range from $500 to $2,000 per semester, and required insurance, which is about $3,500 per year.

Living Expenses and Visa Requirements—Living expenses, books, and supplies are estimated at $23,900 per year. International students must verify they have the funds to pay all educational and living expenses for the first 12 months in the U.S. to obtain a visa.

Housing Options—Apartments and rooming houses located off-campus are the popular choice, as on-campus housing for graduate students is limited. There are excellent family housing options as well. Learn more at: housing.umn.edu/international

Assistantships—For graduate students, the most common financial assistance is through graduate assistantships (teaching or research under the direction of a faculty member), which are awarded by individual graduate programs. Qualified students who receive an assistantship will have full or partial tuition waived, and they will receive a salary and health insurance. Yearly salaries for full-time graduate assistants range from approximately $15,000 to $30,000.
GRADUATE AND PROFESSIONAL DEGREE PROGRAMS

The University of Minnesota offers graduate degrees in more than 200 areas, including science, art, engineering, agriculture, medical, and humanities fields. Learn more at apps.grad.umn.edu/programs.

If the degree is not specified, both Ph.D. and master's degrees are offered.
