APPLICATION PROCESS

HOLISTIC REVIEW OF APPLICATIONS

Admission decisions are based on a very careful, overall assessment of each student’s academic preparation and performance, as well as the additional information provided in the application. Learn more about the academic and context factors considered at [z.umn.edu/intladminfresh](http://z.umn.edu/intladminfresh). No single factor is the deciding factor in the decision. The University of Minnesota does not have automatic criteria or minimums (cut-offs) for admission.
